

# Proposition 84

## Statewide Park Program – Round One

City of Long Beach, Parks, Rec & Marine

\$722,465

Craftsman Park

This project will create the new Craftsman Park in the City of Long Beach through development of a .3 acre parcel and construction of a new play area, picnic area, and landscaping.

Through community based planning meetings, youth, seniors, and families selected these features. Additional design ideas from residents to be included in the project are:

- Nature themed play area with boulders, logs, and tree trunks.
- Green open space area, meandering path, and shade trees.
- Fence around the park that is locked down at night, and lighting.
- 20 residents will plant a garden.

The project will include these sustainable techniques:

- Rain sensors with automatic controllers.
- Use pervious recycled concrete, D.G. paths.
- Use 60% recycled material.
- Use non-invasive, water wise plants.
- Energy efficient LED lights, locally sourced materials, shade trees.

The park will be open daily from dawn to dusk. There will be no entrance or any other fee to use park.
